Venue : Goenka College of Commerce and Business Administration, 210, Bepin Behari Ganguly St, College Square, Kolkata, West Bengal 700012

Dear Madam.

Reference to my discussion with you and Professor Safiqul Islam, I am pleased to inform you that Indian Association of Blood Cancer & Allied Diseases (IABCD) is a registered voluntary, humanitarian organization. Since 1990 IABCD is promoting voluntary donation and providing lifesaving blood services. We work in partnerships with local institutions, citizens' representatives, government and private hospitals and have a network of centres across the states.

Our dedicated team makes sure lifesaving blood is available when and wherever it is needed. But IABCD is more than a blood centre. The association runs a Day Care Centre for regular blood transfusion of patients suffering from thalassaemia. To run this transfusion centre we need 600 units of blood per month. Due to summer, we are facing an acute problem in arranging blood for thalassaemia as well as other categories of patient suffering from blood cancer and haematological disorders.

IABCD Blood Centre located near Salt Lake Stadium/ opposite SWABHUMI. In the year 2024-2025 , 106 youth leaders joined us and helped in motivating 3761 voluntary blood donors. Our team got an opportunity to serve and save lives of 2504.

We are pleased to note that you will be organizing a voluntary blood donation camp for the benefit of larger community on July 19th, 2025 at your institute campus. We are happy to confirm you about our participation. As discussed, we will make arrangements for 30 plus addl. 5 blood donors for collection of blood. The team (Six members) will reach the institute at 12.30 pm ,

Our team will extend all cooperation as usual. Team will also reimburse refreshment charge @Rs.150/-per donor and an additional amount of Rs. 50/- towards donors' motivation / organizational expenses per donor(Total Rs200/-).

Our organization will issue donor cards after one month's from blood donation. Blood (except Platelet) will be supplied to blood donor free of cost, service charge Rs200/- will be applicable to non-donor recipient against blood donor card authorized by blood donor or blood donor organization.

Our gratitude to you is our respect to you and our thanks for your compassion and support.

We look forward to your confirmation and participation in our mission **"Together, we can make the world a healthier place"**

Thanking you,

Truly yours,

Amitava Khandait
Director- Community Care, M: 8420244850
